2024

What's so **MEGA** about the Event?

The event provides a unique platform to explore & display its products & services to the large number of potential buyers from all over the world.

The event will be attended by hundreds of exhibitors, thousands of visitors, and top industry professionals from across India and abroad. It will provide a great opportunity for companies to display their products & services and to network with potential buyers.

Mega India Expo is an ideal platform to showcase the best of India, and to explore the potential of the Indian market.

With the success of the previous edition, the event is back with its latest edition, a four-day event that will be held in Singapore, from October 19th-22nd 2023.

Who should **PARTICIPATE?**

The ideal exhibitors for Mega India Expo are those businesses that are looking for potential customers and partners, such as wholesalers, distributors, manufacturers, entrepreneurs, retailers, start-ups, and investors. Businesses related to technology, fashion, food, health, lifestyle, and other services are also encouraged to join the show. Additionally, government agencies, consulting and other professional services can also join to promote their services.

What do **YOU GET?**

01. Establishing a presence and raising brand awareness in the market
02. Explore the business prospects in the entire ASEAN region
03. An opportunity to showcase your products in the international market
04. An opportunity to network with potential buyers, distributors and investors
05. An opportunity to learn and understand the trends of the industry
06. A platform to share ideas, knowledge and technologies with peers
